

Maximize your benefit strategies!

The Leader in PBM Group Purchasing Solutions

Our collective strategy for Rx benefits isn't your typical group purchasing – it's your unique strategies maximized within the context of group purchasing.

Plan sponsors get the most from the PBM relationship, while implementing their own plan design strategies, managing vendors or working through established consultants.

By engaging with best-in-class suppliers – CVS Health and OptumRx – the PBM group purchasing solution provides market-leading pricing and terms. Our PBM program at a glance:

172 individual plan
sponsors headquartered in 33 states

Covers more than
700,000 lives in all 50 states, the
District of Columbia, Puerto Rico and Guam

Collectively spends more
than \$1 billion
on pharmaceuticals

What You Achieve

The PBM Group Purchasing Solution:

Saves you time

- ∞ A dedicated Account Management team is readily available, and acts as an objective extension of the benefits team working with vendors.
- ∞ All contractual obligations and legal aspects of vendor contracting and auditing are covered by legal experts.

Saves you money

- ∞ 172 individual plan sponsors working together through leveraged agreements creates purchasing power.
- ∞ Annual market checks ensure aggressive financial performance compared to the market.
- ∞ Each plan includes specific performance guarantees.

Expert oversight and added benefits

- ∞ A staff pharmacist regularly provides information on topics such as new drugs, generic launches, plan design strategies and overall trends based on actual plan data.
- ∞ Annual contract benchmarking through an independent third-party.
- ∞ Networking with peers and sharing best practices.
